

## 注册 Heroku

点击 <https://id.heroku.com/login> 进入登录页面， 点击“Sign Up”

The image shows the Heroku login page. At the top center is the Heroku logo, which consists of a stylized 'H' inside a square, with the word 'HEROKU' underneath. Below the logo is a white rectangular box containing the text 'Log in to your account'. Underneath this text are two input fields: the first is labeled 'Email address' with a person icon, and the second is labeled 'Password' with a lock icon. Below these fields is a purple button labeled 'Log In'. At the bottom of the white box, it says 'New to Heroku?' followed by a red-outlined link labeled 'Sign Up'. Below the white box, there are two links: 'Log in via SSO' and 'Forgot your password?'.

填写个人信息，通过机器人检测后，点击“CREATE FREE ACCOUNT”

Thanks for signing up with Heroku! You must follow this link to activate your account:

<https://id.heroku.com/account/accept/5405057/7a37f040683e4b73be7c826e327abc4a>

Have fun, and don't hesitate to contact us with your feedback.

The Heroku Team  
<https://heroku.com>

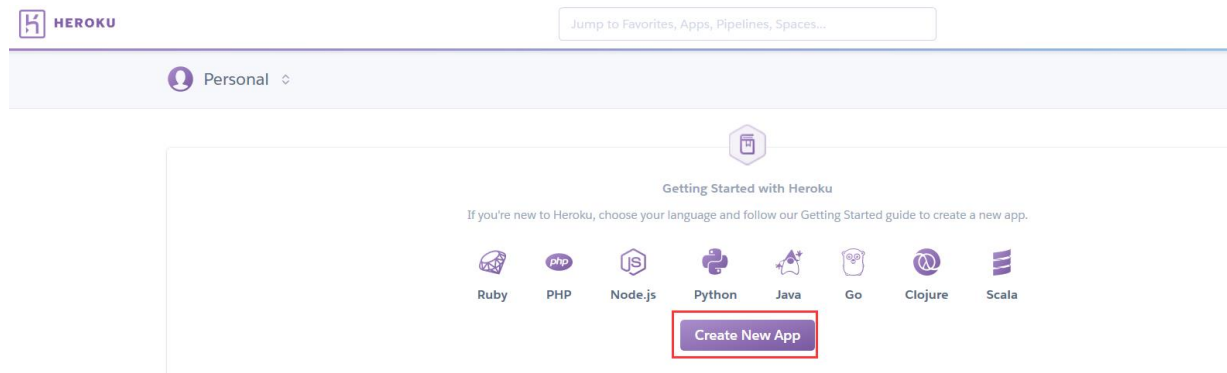

输入密码及确认密码，点击“SET PASSWORD AND LOG IN”

The image shows the Heroku 'Set your password' page. It has a dark purple background with white text. The title 'Set your password' is at the top. Below it is the instruction 'Create your password and log in to your Heroku account.' There are two input fields: 'Password' and 'Password confirmation', both with red asterisks. Each field has a green feedback bar below it: 'Strong password' for the first and 'Passwords match' for the second. At the bottom, there is a checkbox for receiving updates and a blue button labeled 'SET PASSWORD AND LOG IN' which is highlighted with a red rectangle.

## 部署应用

登录后，点击“Create New App” 进入创建向导

输入应用名称， 并选择 Region， 点击“Create app”

备注：目前 Europe 较快，后续可能会有更多区域供选择。

点击“Connect to GitHub”关联 GitHub 账号

#### Connect to GitHub

Connect this app to GitHub to enable code diffs and deploys.

#### View your code diffs on GitHub

Connect your app to a GitHub repository to see commit diffs in the activity log.

#### Deploy changes with GitHub

Connecting to a repository will allow you to deploy a branch to your app.

#### Automatic deploys from GitHub

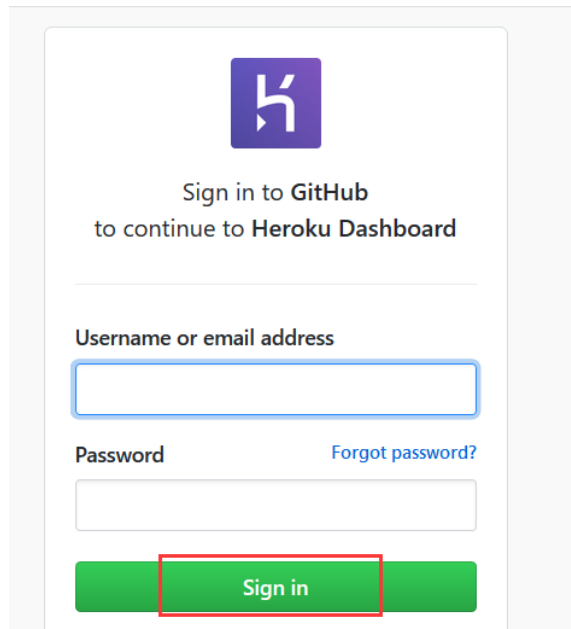

Select a branch to deploy automatically whenever it is pushed to.

#### Create review apps in pipelines

Pipelines connected to GitHub can enable **review apps**, and create apps for new pull requests. [Learn more](#).

Connect to GitHub

若浏览器暂未登录 GitHub，输入 GitHub 用户名密码进行登录；若已经登录，同意授权即可

The image shows a GitHub login form. At the top is the GitHub logo (a purple square with a white 'h'). Below it, the text reads "Sign in to GitHub to continue to Heroku Dashboard". There are two input fields: "Username or email address" and "Password". Below the password field is a link that says "Forgot password?". At the bottom of the form is a green button labeled "Sign in".

在文本框中输入“heroku-node-proxy”，点击“Search”，待 GitHub 项目加载出来之后点击“Connect”

#### Deployment method

#### Connect to GitHub

Connect this app to GitHub to enable code diffs and deploys.

点击“Deploy Branch”进行手动部署

The screenshot shows the Heroku deployment interface. On the left, under 'Manual deploy', it says 'Deploy the current state of a branch to this app.' On the right, under 'Deploy a GitHub branch', it says 'This will deploy the current state of the branch you specify below. Learn more.' Below this text is a dropdown menu showing 'master' and a 'Deploy Branch' button, which is highlighted with a red rectangular box.

部署成功会有“Your app was successfully deployed”提示信息， 点击“View” 即可打开代理主页

**请注意代理 URL 的协议是 *https* 而不是 *http***

The screenshot shows the Heroku deployment interface after a successful deployment. On the left, under 'Manual deploy', it says 'Deploy the current state of a branch to this app.' On the right, under 'Deploy a GitHub branch', it says 'This will deploy the current state of the branch you specify below. Learn more.' Below this text is a dropdown menu showing 'master' and a 'Deploy Branch' button. Below the dropdown menu, there are four status bars: 'Receive code from GitHub', 'Build master' (with a link to 'Show build log'), 'Release phase', and 'Deploy to Heroku'. Each status bar has a green checkmark on the right. Below the status bars, it says 'Your app was successfully deployed.' and a 'View' button, which is highlighted with a red rectangular box.
